【IMPORTANT RULES on the SPRAY TANNING】

1. You can order the Spray Tanning Service to the authorized vendor only. The vendor:
Body Coloring Salon VENUS
Name of the person: Ms. Morimoto (phone #090-3659-3199)
Ms. Iwao (phone # 090-3616-6482)
2. You are not allowed to color yourself by your own.
3. You are able to get a natural sun-tan without any coloring agent for the contest.
4. If you color yourself and it is discovered when you check-in, you will not be able to compete. We will wipe a small spot on all the athletes on the day of the contest to ensure the rule above is followed.
5. We will ask you to show us the receipt on the day of the contest which you will get from the vendor so please do not forget to bring it.

【RECOMMENDATION : AFTER the SPRAY TANNING】

1. After you got the SPRAY TANNING, we suggest you to dry it for at least 8 hours. During this time, try not to sweat or getting wet.
2. After you dried them, most of the coloring agent will settle into your skin so take a warm water shower and let the extra color washed away. These two steps (1 & 2) are appreciated not only to keep the venue clean, but also to give you the best body color while you are on stage. Even if you get sweat on stage, the color agent will stay at the best so it won't spoil your appearance.
3. We appreciate for your understanding on this SPRAY TANNING RULES to keep out from the stain on the venue and for your best appearance on stage.
